**Concept Proposal & Stage 1 for Alterations and
Additions to Barker College (SSD-31822612)
Green Travel Plan, Condition E11**

Dear Ms Augustesen

I refer to the Green Travel Plan (GTP) submitted to the Planning Secretary in accordance with condition E11 of SSD-31822612. I acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note the GTP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- was prepared in consultation with Council and TfNSW during assessment of SSD-31822612, and revised in consultation with Council and TfNSW;
- contains the information required under condition E11; and
- has been submitted prior to any increase in student population beyond that existing in the school campus at the time of development consent for SSD-31822612 dated 20 December 2023.

Accordingly, as nominee of the Planning Secretary, I approve the Barker College Green Travel Plan, Version V11 dated 19 March 2024, prepared by The Transport Planning Partnership, under condition E11 of SSD-31822612.

I remind you to update the GTP annually as per condition F10 of the consent. Also, I remind you that there is to be no increase in student numbers prior to all relevant approvals being obtained as per condition A7.

Please ensure a redacted copy of the approved GTP is available for public access on the project website as per condition A24.

Also, please note that if there are any inconsistencies between the approved GTP and the conditions of consent, the conditions will prevail.

If you have any questions or wish to discuss the matter further, please contact Jeremy Martin on jeremy.martin@dpie.nsw.gov.au.

Yours sincerely
